BAND STORY

"

I have been a writer for over 30 years, specifically poetry and lyrics. Thanks to this group my songwriting has really increased. Dave Lenehan and I have written together, and I have a co-writers credit with Bo Watson of Midnight Star (Work It Out). He has also written for Toni Braxton, The Whispers and others and we have written a song for Smokey Robinson recently that we hope gets placed.

I have always wanted to write songs even more than poetry after hearing Jerry Butler's "Never Gonna' Give You Up". They lyrics blew me away! Since then the influences listed on my page and others have intrigued me but none more than country music songwriters. I don't think anyone tells stories, creates titles like you do.

Merging those styles with R&B influences, I hope to create a style that attracts artists and appeals to their fans...and labels.

GOD blessed me to write and I hope to keep giving the gift to the world...
